COVID-19 REQUIREMENTS

Sport Ireland guidelines can be found here

Spectators will be permitted to attend but everyone entering the venue (athletes, officials, coaches, spectators) will have to produce one form of ID plus one of the following:-

- an EU Digital COVID Vaccine Certificate (requirement for booster not necessary, double vaccination evidence will suffice).
- an EU Digital COVID Recovery Certificate if you have had Covid within the last 6 months.
- Negative PCR test (from the HSE or Private Company) within 72 hours of attending.

It is also recommended that everyone take an antigen test on the Saturday evening to ensure that they are Covid free.

In addition, everyone must fill out a **Contact Tracing Questionnaire** before 9pm on Saturday 15th January. No entry will be permitted to anyone who does not comply with the requirements.

To ensure we do not have a long queue entering the stadium on the day, we are asking that one person from each Club take on the responsibility of ensuring that all their athletes have the appropriate Covid Certs/negative tests necessary. Athletes will still have to confirm their vaccination status on the Contact Tracing form.

Just a few more points to note:-

1. All spectators have to remain seated and maintain social distancing from the next group.
2. Everyone must wear a mask in the venue and adhere to hand sanitising, social distancing and all other Covid-19 requirements.
3. Indoor ventilation will be necessary so please ensure you dress appropriately for the cold.
4. Please listen out for the Covid and Safety announcements over the PA system on the day.
5. A shop will be in operation on the day in the stadium, take away only, no seating area will be provided at the shop.
6. Parking will be available inside the grounds of the stadium, please follow the directions/instructions of the parking stewards that will be on duty.
7. Results will be available online shortly after each event at www.tipperaryathletics.com. Please do not approach the results table looking for results after your event.
8. Wipes/sprays will be available at each event to comply with Covid 19 requirements.
9. Athletes may bring their own shot put/WFD but they will need to be weighted in before their event.
10. The WFD competition will be held outside.
11. There will be no medal presentations. Medals will be given out at field event sites and will be available for collection at the finish line shortly after each track event.

Thanking you all in advance for your co-operation and looking forward to having our first Indoor outing in a long time.
